Community Partnership Program

Through our Community Partnership Program, Harborside Catering provides support to a variety of non-profit organizations, schools and other community programs.

We welcome the opportunity to support local programs but please note that due to the large volume of donation requests we receive, we are unable to honor all submissions. To request a donation, please submit a one-page letter on your organization's letterhead to the contact below. The letter should include a brief description of the event and beneficiaries, amount requested, the date your donation is needed and your organization's tax-exempt ID number.
